

NOAC 2018

Start Date: 7/30/2018

End Date: 8/4/2018

With a return to Indiana University, new conference programs and the introduction of remote delegates, this NOAC has the potential to be one of the Order of the Arrow's (OA) best national events.

NOAC 2018 is shaping up to be one of the best national programs ever implemented by the OA. 2018 National Chief Anthony Peluso is excited to see the conference come to fruition. "We could not have asked for a more productive planning meeting. As we move into 2018 and continue our preparations for NOAC, we will continue to be innovative in our approach as we strive to reimagine the conference, and the experience of each of our delegates. On behalf of the entire conference committee, we can't wait to share the experience with each and every participant!"
